NOTES AND ORDERS.

Messrs Bhabha, the Dy. of Education, & Mr Cook, the Principal of the Central College were permitted to take a peon with them when going to Madras to attend Senate meetings. Now that both these officers have been retired from service the

Comptroller requests that instructions may issue to insert the names of Messrs Weir & Tait in place of Messrs Bhabha & Cook.

2. As the Comptroller states that pending formal sanction he has admitted the T.A. to Mr Weir for having gone to Madras to attend the Senate meetings taking a peon along with him, two points require the consideration of Govt viz:-

1. Whether it is necessary for Messrs Weir & Tait to take a Govt peon along with them when they go to Madras for Senate meetings and whether such journeys made by peons could be considered to have been made in the interests of the public service (vide note 2 to art 41(b)), and

2. Whether any travelling allowance have to be sanctioned to Messrs Weir and Tait for proceeding to Madras and if so whether the rates mentioned ~~in~~ in Appendix 2 (Page 226 mark) against Messrs Bhabha & Cook have to be given to these Officers.

3. The file ~~relating to the~~

containing the authorities for both these points are not available as they were put up with the file relating to the revision of the first Edition of the MSR which is not found in the ~~Secretariat~~ records.

4. In connection with point no 2 it is submitted that the University pay the travelling charges of those who attend Senate meetings according to their own scale. It is ascertained that in the bill for March 09 Mr Weir has claimed the difference between the rates mentioned in Appendix E & the rates and the amount given by the University. It is not clear how any travelling allowance can be claimed from the State when in a somewhat analogous case, ~~of~~ officers of this State ~~who~~ do not get any travelling allowance when they are paid travelling and subsistence allowances from the courts in British India p

5. If it is decided that these officers, viz, messrs Wein and Tait, are to be given travelling allowances from State, then this point has to be also considered, viz, when Mr Tait is entitled to a daily allowance of Rs 5/- under ordinary circumstances as an Officer belonging to Class A i, whether Rs 7/8 may be given as was allowed to Mr Cook during the journey to Madras in connection with Senate Meetings.

9 The Mysore Govt are interested in the State being represented in the Senate and the question of pay raised above does not really arise. But I agree that we may take the opportunity of change of incumbents to introduce the rule that no addl t.a. would be payable by the State, the allce paid by the University being considered sufficient. Mr Khatha used to draw the rate allowed by the M.S.R (Page 226) deducting the amount paid by the University. In British India educational offices similarly circumstanced are satisfied with what the University pays & I do not see why in Mysore the same allowances should not be considered sufficient.

It may this also be sent to the Retrenchment Committee

K.S.
14/11/10

15/11/10 There seems to be no reason for referring this to the Retrenchment Committee. The Inspectress of Girls Schools states that attending Senate meetings she need not be considered as duty and the allowances disallowed accordingly. The Maharani is an Indian Princess in her own right and not a Government servant nor are the fellows appointed in virtue of the position they occupy under this Govt. If it be ruled that the Hon'ble Mr Hayne & the Principals of the two first grade Colleges are fellows of the University there would be some force in the contention that attending the Senate meetings should be duty, but so long as it is not incumbent on the Members of the Governing body of the Universities by reason of the office they hold to be fellows and so long as the fellows are appointed by name, their being on the Senate of the University is only an accident and cannot place them in a better

portion than another fellow who is not in actual employ. It cannot therefore be held to be duty and not on the analogy of a person proceeding to depose in a Court he is entitled only to the allowance fixed by the rules in this case the Officer has to be satisfied with the allowance given by the University.

23 It may also be stated that the interest of the Dunbar Institution or the Senate is as legitimate as the suppression of crime & successful prosecution of offenders & the resulting well being of the law abiding subjects & the evidence your Officers and others in this respect that makes their absence not strictly leave but a kind of duty.

24 If any fellow declines to attend the meetings, the imposing of which cannot compel his attendance and the power for which cannot, it is submitted, compel the Officers who are fellows to attend unless the fellowship is held by virtue of their holding that office.

25 For the above reasons it is humbly submitted that there seems to be no ground for treating attendance at Senate meetings as duty requiring to have leave under G.R. & Orders.

26 Mr. Weir's attitude does not seem to be quite reasonable. If he is not interested to attend meetings on the University terms he should resign his seat in the Senate.

27 He is no doubt on duty during the period taken in attending meetings at Madras. But T.A. under the M.S.R. cannot be drawn for all journeys performed by an officer while on duty. The journey must be undertaken in official capacity and in the interests of the State. Unless the Govt choose to decide so it cannot be said that the journeys in question are performed by Mr. Weir in his capacity as Inspr General.

28 Advocate will please definitely find out the practice in Madras Presidency by a D.O. reference [a D.O. to Mr. Krishna Rao or Mr. Rammanna will do]. If the practice in British India be not to pay anything from the general revenues we should follow that practice. JM

33 It is a small matter about the Peon and I am sorry that this office suggested that the privilege of taking a Govt Peon has mentioned in the letter. The D.G. has a certain prestige as an officer of this Govt and we may well allow him to take a Peon at Govt expense. But

OFFICE OF INSPECTOR-GENERAL OF EDUCATION IN MYSORE.

No. 2472/168

Bangalore, 2 September 1910.

From

Inspector-General of Education in Mysore.

To

C.S.Balasundaram Iyer Esq., B.A.,

Offg. Secretary to the Government of H.H. the Maharaja of Mysore, General and Revenue Departments, Bangalore.

SIR,

1) With reference to your letter No.Fl. 927 / S & A.29-09-16 dated 18th August 1910 asking for my opinion regarding certain proposed changes in Travelling Allowance for attending meetings of the Senate I have the honor to state that it depends entirely whether a Government Officer attending meetings of the Senate is on Government duty or not. If he is not on Government duty it must then be decided whether he is on leave when attending such meetings; and if so, on what kind of leave; and it must also be decided whether he is to be permitted to accept the travelling allowance paid by the University, or whether it is to be credited to Government. But if on the other hand he is on Government duty then the question arises why his travelling allowances should be less for attending a Senate meeting than for any other Government business. Personally I am unable to imagine any reason for making any difference but I am quite ready to consider any reasons put forward by the person or persons who make this proposal.

2) I consider that it is very desirable that as many of the Mysore Educational and other officers as possible should attend meetings of the Senate even if Government should have to bear the whole expense and I think that Government should congratulate itself on getting the cost reduced by the amount of the contribution by the University.

So far as I am personally concerned, the travelling allowance paid by the University is not enough to cover actual expenses and if the proposed rule is adopted I will stay away from meetings of the Senate in accordance with a resolution formed for private reasons some years ago.

In this connection I have the honor to invite your attention to Mr.Bhabha's letter No.6477 / 542 dated 5th March 1907 in which he asks for a reconsideration of Government Order No.2661-4 / Ed.(254-05) dated 29th September 1906 fixing the travelling allowance of the Clerk and the second peon whom the Inspector General is permitted to take with him to Madras and to request that orders may be passed on the point raised.
